Mummy's love

Sleep tightly my angel, my beautiful baby,
Your mummy will tell you the stories you love,
Stories with friendship, kindness and maybe
Some of them later will come alive.

The sky's getting darker, the night's quickly falling.
My angel is tucking himself in the bed.
Snowflakes are dancing, moonlight is glowing.
Mummy is stroking gently your head.

Shimmering stars are, in heavenly glory,
Hiding in snowflakes, which want you to dance.
Fairy frost has composed lovely, hoary,
And fanciful pattern, that's painted at once.

Sleep tightly my angel, my beautiful baby.
Mummy will sing you sweet lullabies.
My voice is so quiet, peaceful and maybe
Your dream will be colorful as butterflies.

Mum's love is unselfish, saint and forever.
Whatever the weather I'll help you, my heart.
I'll always support you, defend you from fear
No matter the distance that'll keep us apart.

You'll grow up, my kiddy, and one day in future
Remember these stories I told you about
Faraway kingdoms, mysterious nature,
And priceless treasure inside mummy's heart.

Dear Olga Nikolaevna!
You are a true mother, whose heart is overflowing with love for your children!
Only a loving heart could bring into the world such a beautiful lullaby!
This is undoubtedly a success!
Let your children be healthy and happy along with you!

Thank you for your kind words.
I have no doubt that only a real mother can understand the depth of my feelings, which I tried to express in these lines.
I was writing this poem with great tenderness.
I think you will agree with me that we have the unique opportunity of talking on this important topic in

such a way.

Good luck at the contest.
