Mother's Day of Russia

In the last days, in November,

Is a special day of the calendar ...

Russia celebrates Mother's Day

It can be said a great date .

We want to say "thank you" to you,

our wonderful mothers,
for the warmth that you gave us

yours sons and daughters.
I have not more mom unfortunately,
but I am happy that she was my mother,

that she well cared of me and loved me,

So that I was so happy, as can be!
Dear Mom, I miss you very much,
your laugh, your smile, your touch.
My Mother, my friend so dear
throughout my life you were always near.
We were best friends forever
I don't forget my mother never
She always brightened my days
with all the smiles she sent the way.
Dear Mommy, I know you loved me
By the way you showed your care.
You hug me and talked to me softly;
When I needed you, you were always there.
Mother's day is a gorgeous holiday,
because each of the women is a mother!
And we need mothers to congratulate,

And we should not forget about this date.

Dear mothers!

We wish you be happy and glad,

Don't have bad days and don't be sad!

Now I want to say:

«Happy Mother's Day!»
