I love you, Mum

That's a nice surprise,

That's a nice surprise.

Today's the last Sunday of November

And Mother's day will come tonight.

It's a wonderful time,

It's a wonderful time.

When I can tell my mother:

"I love you so much".

It's a special day,

It's a special day.

When you should do only things –

Relax, dream, love and sleep.

Today is your day,

Today is Mother's day!

And you know, Mum?

I wish you sunny and magical time!

There's no more place –

Then your peaceful land,

Then your peaceful land,

It's your heartily hands.

You don't believe me my dear Mum,

But I remember a touching sign.

Then you gave me a life,

I saw tears from your beautiful eyes...

Do you remember the time?

Do you remember the time when I was a child?

You are always saying me at night:

"Don't afraid, your mother is here and everything will be all right!"

And it's the best day when

I can show you how I LOVE YOU, Mum!

And I can say for all mothers in the world:

"Thank you very much from all of us!"

I would like to tell you:
“Don’t worry, Mum!
I will never forget you,
I will never stop love you, Mum!”
