Mother's Day! Mother's Day!

Mother's Day! Mother's Day!

It's a lovely magic day.

All the sons and all the daughters

Try to do their best things with good emotions.

My mother fed me when I was a child

And hushed me in her arms so mild,

She sat and touched my childish head,

When I was sleeping in my bed...

She taught me speak, and learn, and play,

And told me funny stories,

She ran to help me when I fell

And all my pain was calmed away.

She always said to me

"Be strongest and modest

As well as good, sincere and honest"

My mother was creative clever and cool

As she I work at school.

All children love your mothers!

Appreciate and help them every day

Embrace and kiss them

When they are sick and old and grey!
