To my Mother

The first word I say the first kiss I get
For person I pray and never forget

The best friend of all with whom I can seat
And dishes she cooks I never repeat

I thank you for songs and tears you cried
The time which you spend when I was a child

Get ready to help and give good advice
Whatever I do you think I'm nice

And all what I need when troubles come home
Just look through your eyes to know I'm not alone

«Live long happy life!» we all wish to say
I love you so much and
Happy Mother's Day!
