St. George ribbon.

Today is the day of victory,

Everyone gathered around,

To congratulate the veterans

We will make a gift.

Taking this tape in hand,

And like his grandfather,

It is present-

He is very cheerful.

After the tape is not a simple,

Two colors in it all,

But earlier gave,

As the heroes, or whether.

How important it is to be a hero

And the country to protect

It's worship,

And ribbons are given.

George Ribbon-

Glory award for the hero

Who protects the land,

That should all be proud of.

Thank you for everything,

You deserve the tape,

You are the best,

Friends!
