The 9th of May.

At the cemetery to his grandfather,

After all, he fought in the war.

And along with all achieved a victory,

So that we could live on earth.

The 9th of May. In the eyes of veterans

No tears, I cannot watch.

They face these old wounds

As a tribute to all those who died in battle.

And every time my heart stops

And does not want to believe in any way,

That they now kill for medals

And memorials bad.

We are a peaceful heaven and gave life,

Asking nothing in return.

We held our indifference in the hearts

About the exploits of these forgotten.

Find a penny, alas, veterans

Sons of our Russian land.

How it all terribly, as all countries

Not right, not like human beings.

We have in this world, other roads

We live in a hurry, hurry.

Living veterans are not so much

And we, as no one need them.

Heat and our attention, care

More expensive for all of them awards.

"You do something to help?"

- Kindly ask someone –

And the wounds will not hurt.

And this is only part of what we, the people,

Have to do for them.

Then, and this is not cruelty

In the warm hearts of the young.

There will be no terrorist attacks and bombings in Russia

Trapped schools and homes.

It is not for the sake of the fight went

And they struck fearless enemies.

For our Motherland! Holy victory!

For each klochotek Earth!

Not really now unworthy grandfathers

Wealth, warmth and love
The 9th of May In the eyes of veterans
No tears, I cannot watch.
It is better, I'll get up early today
-At the cemetery, go to my grandfather ...
