Victory.

We touch with flutter the ancient door,
That leads us to the history of the Great Patriotic War.
The war time passed with rapid speed
We hardly realized what Soviet soldiers did.
They fought and died for the native land
No matter what, their heads weren't bent.
Warriors didn't think about feat
And every second could death meet.
They sacrificed their lives and love
And lost sight of children, wife.
The price of Victory was so high
Our hearts can hear mothers' cry.
Thanks them we live in peace time,
And glory heroes of that war in simple rhymes.
And every spring Victory Day
All Russian people mourn soldiers
Near the Eternal flame!!!
