NOTHING IS FORGOTTEN.

The time has gone,
But we remember
The days of dangerous war.
The time has passed,
But we remember
The relatives of our families,
Who haven't come from war.
The time is flying very fast.
New generations are growing.
They know more about the war
From books and from film showing.
The battles of war are touching.
The hardships are terrible.
But people fought bravely
To defend their Motherland
From invaders.
We celebrate veterans in May.
We wish them happy holiday.
We thank them for Peace and Love,
That we can feel in our hearts.
Nothing is forgotten!
Everything is reminded!
Long live, Veterans!
Long live Peace on the Earth!
