Don't forget about our veterans!

Don't speak so much about life,

Don't think so much about money,

And don't be proud of your car -

You look for them so young and funny.

They were like you,

So young and strong,

So full of plans

And expectations,

But the war broke down

Al their lives and hopes

Of the whole generation.

And after years of death and pain

They built the country and worked

For us, for life...

And all we have to do

Just thank the veterans

And say, "We won't forget your deeds and you!

We won't forget

What for us and deed!

It's our duty, indeed!
