Memory Day

So many years have passed since then,
But people will never forget those men,
Who paid so much for the life on the Earth.
Nobody and nothing are forgotten, of course.

Our country fought days and nights,
For four long years lasted that fight.
The War was over, Victory came,
We'll never let do this again!

St. George Ribbon is worn once a year;
It means we remember forever:
Peace is a wonderful thing in the world,
Let's keep it and never fight and scold.

All veterans deserve love and care,
Be more attentive to them everywhere.
Our future is in our hands,
We should live in peace and have more friends.
