There was a fight that we know .

Do you know how many people lost their lives?

Maybe, have you heard how many women stopped being wives?

You can't imagine how many torments they felt,

You can't imagine how much blood they shed.

There was a fight that we know.

Our brave ancestors came to defend their cities,

It's not a pretties.

You can't imagine how many boys took guns in their hands,

How commands sounded and what boys felt.

So many explosions, so many cries,

So much blood, so many fights,

It's not a movie, it's a real horror.

And it might be liked just by a monster or murderer.
