These were the scary years –
Much of the innocent blood was shed.
Died both – the adults and even little children.
People didn't know how long it will continue,
But everyone believed: the end is very near.
Now all of that is over forever.
We won, the winners aren't forgotten.
I want to tell them "Thank you",
And I will say it to everyone I see
For that we are alive today together.
We will remember about it forever –
They gave us the light sky overhead.
I can't describe it with all my words
I want that there'd be no more wars in the world!
