St. George Ribbon
Blood, war, everything have black hue...
You are afraid, aren't you?
But stop your panic, forget,
Please, look ahead.

Peace is in our country,
Passed the time of blustery –
years full of horror.
Our time is age of terror.

We remember the war's symbol –
It is St. George Ribbon.
Main colors are orange and black –
That mean fire and smoke.

It is one of the best awards
That were then the highest rewards.
Because feats in battle
Are worthy of this medal.

People do not die from bullets.
We praise our pilots.
All people on the war
Want to return home and not fight any more.

The degree of this award is not important for them.
About the soldiers we are writing a poem
Can you imagine our saviors
Without Honor of Warriors?

Protection of the world
Is a very hard work.
We should be proud of the History of our Home
And remember that our life is full of random.
