## Линский Роман

The skyline was black that morning,  
Were silent the forest, the river,  
The raindrops from clouds were falling,  
And the old happy life crying shivered...

But only the first  
Beam of the sun  
Escaped from the prison  
Into the air,  
The bullets were shot from the gun  
And began then the greatest warfare...

Days... Nights...

Was it a dream?  
Can you  
See the bloody stream?  
Which made the endless imprint  
During the War,  
Your grandparents the real  
Nightmares saw...  
And the stream can remind  
About the horrors of War...  
Of War...

The country was sinking  
In that ancient fire,  
The scars of the heroes were bleeding,  
The “ally” proved to be the artful liar,  
And soldiers in trenches were digging.  
Shadow... Light...  
Is it a dream?  
Can you  
Hear the scream?

And that stream still remember  
About the horrors of War...
