“Yesenin is my love today”

Autumn road has already called Yesenin
To the region where there is no any other way.
Now I am standing here in the doorway
As if the road is impossible to find today!

Oh my Russ! The Suffer and the Courage .
I love you as I am able to!
He was sin and was fond of living!
Let the God forgive him as I do!

Everyone can love my dear Russia ,
Everybody can adore it as I do.
But no one could sing his lovely songs
As Yesenin, Russian poet wanted to...

He was my first adoring,
So my heart was soaking in pain!
Each cornflower and even chamomile
Could poison it and ruin by the rain.

He was a poet - born in Russia !
A naughty boy, a merry guy he was.
Wide-opening the doors I'll say!
“Yesenin is my love today”
