The Great of the Greatest

Can you numerate the greatest poets?
Don't you think that their number is too small?
Who else can glorify the Homeland as Esenin?
Who else can show us the beauty of the fall?

Do you know that great poems don't die?
They're important as our life part.
Certainly, Esenin – you know and I,
And this name remains in our heart.

His creativity arouses the feeling of admiration,
We go along with him together,
And we have an indestructible communication,
It is a real example for the future generation.

And we will remember for ages his name,
His poems are difficult, but at the same time they're free,
His charisma is like a flame,
And I think that you with me will agree.

Can you numerate the greatest poets?
Don't you think that their number is too small?
Who else can glorify the Homeland as Esenin?
Who else can show us the beauty of the fall?

That's really a good job!
Especially I like the lines:

Can you numerate the greatest poets?
Don't you think that their number is too small?
Who else can glorify the Homeland as Esenin?
Who else can show us the beauty of the fall?

It seems to me, you've managed to express the very idea of his poetry.
Wish success.
