There was a man

There was a man who mastered the Art of the word,
Who filled the souls with his feeling of beauty.
He proves us many times that Homeland is much better than Abroad,
He also proves that everybody has his own duty.

He shows us that we can't see with our own eyes
Something, what is hidden deeply in the abyss of the mind.
He says that for mistakes we'll pay the biggest price.
He shows us that many of us are blind...

What major trace did he leave
In the one of the greatest Stories?
How did he deserve his really immortal glory?

And Autumn came,
The pouring rain
Began again,
Like tears from sky,
It seems to cry...
But why?

For about a century his poems have been everywhere well-known,
He is respected by many judges of Art.
His talent by a lot of people nowadays is honored.
And he became of our endless Heritage an important part..
