Notoriety and scandals are his essence,
But he wouldn't like to live in the dead silence.
For what we live if we hide the verity?
He doesn't like to exist with this humility.
Life is our one big fickle verse,
Maybe, it is our curse...
The poet can smite with a word -
It is his sword.
But he can't win every battle,
Everyone has trouble.
And our the poet-creator makes mistakes,
But he can turn it into jokes.
It is the Poet's award –
To eliminate problems like a pirate on his very strong board,
Like very brave people, like God.

You've tried to express yourself & it's the most important.

Good luck.
