To Sergey Esenin

Your white birch is a symbol of Russia,
It's a symbol of freedom, a symbol of love.
From our childhood with your poem, Esenin
We compare your birch with a white dove!

We adore your poetry, your cheerful language,
Your calm and generous Mother Nature's thought!
We realize the importance of poetry luggage
That you had already brought.

The way of your writing is sentimental.
The way of your thinking is always with us.
Your poems for us are so gentle,
But you are not here, alas!

We want everybody to keep you in mind,
So that our hearts will be kind!
Our souls will be full of care
And everything's gonna be all right, I swear!

We dream of your poetry, we love it a lot.
We realize the wealth you had brought.
And simply we know that what you had done
Will last forever while there is a sun!
