

My impressions about reciting of the sonnet

Послан Ратина Надежда Федоровна - 24.05.2016 09:14

My Dear Student Darya!

Your reading of sonnet 71 was so impressive and superb!

I wish you good luck in winning of this contest. But even if you don't become a winner, you will remain one of the best students in our group and a very amazing reciter!

Your English teacher Mrs. Ratina.
